1. Appendix 6: Stakeholder Matrix

**Satisfy** – This group are mainly opinion formers who need to be kept satisfied with what is happening. Regular review of their position is required.

**Manage** – Key stakeholders who should be fully engaged through communications and consultation.

**Monitor** – This group needs to be monitored for communications and engagement need.

**Inform** – Keeping interested people/groups informed. Those in this section may need to have their influence increased depending on the subject/work programme.

Note: For review March 2010
