We are here to help

- ✓ **Listen to your concerns, suggestions and queries**
- ✓ **Help sort out problems for you**
- ✓ **Put you in touch with other services who can help**
- ✓ **Guide and help you make a complaint**
- ✓ **Provide information about local health services**

Patient Services is a confidential service

Have your say

**We want to hear your views about
the care you have received locally**

**We can use your feedback to make
services better**

*Have you used an NHS service recently?
If so, we would like to hear from you.*

The Patient Experience Survey is a great way to help Oxfordshire CCG shape the way they commission NHS services in Oxfordshire.

If you would like to let us know your experience, please complete the survey online at:
